## STEVE BIGGS

TRAVEL BLOGGER - [BIGGSYTRAVELS.COM](http://BIGGSYTRAVELS.COM)

I'm dedicated to scouting out unique sights and adventures that have never been written about before, or better still have never been experienced before. I've been travel writing since 2014, capturing the moment using a combination of phone & DSLR photography. I document my adventures with the intention of inspiring all demographics to seek out the same & similar experiences, often away from the usual touristy haunts.
